

# For Loop Checkpoint

1. Complete the for loop below so that it prints out the numbers 1-10.

```
for(      ;      ;      )  
{  
  
  
  
  
  
  
  
  
  
}
```

2. Complete the for loop below so that it counts down and prints out 75 to 50.

```
for(      ;      ;      )  
{  
  
  
  
  
  
  
  
  
  
}
```

3. Describe briefly what each part of the for loop does:

```
for( a ; b ; c )  
{      }
```

a)

b)

c)
